JUST BEAT IT

Becoming Traditional

A vibrant watercolor illustration of various vegetables, including eggplants, bell peppers, and chili peppers, arranged around a central text overlay. The text reads "COOKING IS LOVE MADE VISIBLE" in a bold, serif font. The background is white, and the vegetables are rendered in rich, naturalistic colors with soft watercolor textures. The text is centered and occupies a significant portion of the image, with the vegetables framing it from all sides. The overall composition is balanced and visually appealing, emphasizing the theme of cooking and food.

melanin made meals

A watercolor illustration of a woman with dark skin and curly hair, wearing a yellow headband and a yellow apron over a black top. She is standing in a kitchen, preparing food. In the foreground, a plate of three tacos topped with tomatoes and green onions sits on a wooden surface. To the left of the plate is a small glass jar of yellow sauce and some green herbs. To the right is a whole yellow banana and a glass of green juice. In the background, a wooden shelf holds several lime halves, and a metal sifter hangs on the wall. The woman is wearing multiple necklaces and a wide, patterned bracelet on her left wrist. The overall style is soft and artistic, with visible watercolor textures.

EAT, DRINK & BE COZY

A watercolor illustration of various kitchen items. At the top, a black horizontal bar holds several items: a large black pot, a wooden spoon, a small black cup, and a whisk. Below this bar, two frying pans with wooden handles hang. In the foreground, there are several large, dark-colored pots and a teapot, all rendered in a soft, painterly style. The background is white with some light brown watercolor splatters.
